Respite Childcare Funds Distribution

The PEI Military Family Resource Centre (PEI MFRC) recognizes that the unique lifestyle that accompanies military service can provide families with additional stressors. One of these stressors is finding suitable childcare during non-traditional childcare times, such as on evenings and weekends. Pending availability of funds, the PEI MFRC can reimburse military families up to \$50 in a calendar month to assist with childcare expenses. Funds are for military families (regular force or reserve) living in PEI and are intended to support the member in the fulfillment of his or her military service. Priority will be given to military families experiencing a deployment. Once this population has been served, the funds will be distributed on a first-come, first-serve basis until the monthly allotment of funds has been distributed.

Please fill out this form and drop it off to one of our offices (210 Water Street, Charlottetown, PE or Slemon Park Drive Summerside, PE)
